SUBJECT: 2020 Mileage Rate Reimbursement

The Internal Revenue Service has issued the 2020 optional standard business mileage rate used to calculate the deductible costs of operating an automobile for business purposes.

Effective January 1, 2020, the new standard business mileage rate is 57.5 cents per mile. The rate for business miles driven in 2020 has **decreased** from the 2019 rate of 58 cents and is based on an annual study of the fixed and variable costs of operating a vehicle.

This new rate is effective through December 31, 2020. Please be sure to submit separate mileage reimbursement forms for the 2019 and 2020 calendar years. Also, please note that mileage reimbursement forms are due to Fiscal Services on a monthly basis.

If you have any questions pertaining to mileage reimbursements, please contact Regina Langley at (530) 741-8966 or rlangley@yccd.edu.
